< Important Notice to Applicants >

1. The personal statement must be completed and submitted on the POSTECH Admissions website at http://admission.postech.ac.kr.

    ※ Those who graduated from high school early must submit a certificate of early graduation sealed by the principal.

    ※ The application fee must be paid in advance for an application to be considered.

2. The personal statement is an important part of the application and should be stated truthfully by the applicant himself/herself.

3. Be sure to read and confirm the statement above by marking the check box.

4. The personal statement will be kept confidential and be used for admissions and counseling purposes only.

1. In the space provided below, please describe your academic experiences and what efforts you have made for your studies during your high school days. Explain what you have learned from them. (2000 characters or less)

2. Please tell us about intramural activities (maximum three) you have devoted yourself to during your high school days and explain what you have learned from the activities (extramural activities you participated in with the approval of your school principal can be included). (3000characters or less)

3. Please briefly elaborate on specific experiences you have had during your high school days related to one or more of the following: 1) consideration for others; 2) sharing; 3) teamwork and cooperation; 4) conflict management, etc. Describe how you put into practice the point(s) above and what you have learned in the process. (2000 characters or less)

4. Please feel free to write any additional information about yourself that you would like to provide
    (e.g. reasons for application, special abilities, experiences, etc.). (2000 characters or less)
